Observations... From Around Town

(BY JAY WHOZIT)

Well, only two more weeks before we go to the polls to elect a new city Commissioner to succeed Mr. W. L. Bourgeois, who resigned several weeks ago, and still there are only two candidates in the race... from here it looks like a two-man fight right down to the wire, and then, what... It is our hope that the voters will name a commissioner who will have the interest of his people at heart, without ties which necessitate the serving of other interests, who will work for the welfare of our city. Check your candidate and see which one measures up to these qualifications. . . . tonight is a big night for our school children with the Bay High School May Festival at the school gymnasium, at eight o'clock, and the Saint Stanislaus Junior-Senior from the college gym from eight to twelve. . . . May is Hospitality Month in Mississippi, and by way of explanation, one reason for this campaign is to install in our state in such a way that they will want to stay longer and return more often. . . . don't forget the Bay-Wave Land Garden Club Flower Show on May 21-22. . . . putting that sign over the Second Street gate of the Cedar Rest Cemetery was really worthwhile, since very few of our citizens and no visitors at all knew the name of the cemetery. . . . the teenage club will stage a dance contest for its members this Saturday night, which should prove very interesting and entertaining to these youngsters. . . . yes, folks, this teenage club is proving to be the finest thing that has happened in our town in many moons. . . . our genial Chamber of Commerce prexy Ted Robin, is really a busy man for the C. of C., doing something all the time, and really deserves the cooperation of the entire membership. . . . according to John Bell, it won't be long before work will be started on the new yacht club house and yacht harbor. . . . to Monsignor Gmelch: it would be a nice thing if you would have a light installed in the church clock tower, so that folks could see the time at night, perhaps the city would pay for the installation, which should be very little. . . . Mayor Carver, if your men are not going to pick up the garbage on Tuesday, why not notify the public so that they will not put it on the sidewalks on Tuesday only to remain there over night until sometime Wednesday, in some cases it smells terrible. . . . Former Mayor Blair continues ill at the home of his son, on Carroll Avenue, but is reported somewhat improved. . . . Miss Jane Blair has been selected to represent Bay St. Louis as "Miss Hospitality" . . . the cool weather of the past few days is really wonderful, boy, if this could only continue. . . . the fish are beginning to bite and the soft-crabs and flounders are also being caught according to the boys who indulge in the sport of "night fishing". . . .

Mrs. Stella Arnold Dies From Results of Burns In New Orleans

Mrs. Stella Dillman Arnold, wife of the late Alfred (Judge) Arnold, died in New Orleans on Tuesday, May 10 as a result of severe burns, which covered 75 per cent of the surface of her body, sustained while burning some trash in the yard of the home of her son, James Arnold at 4012 Laurel Street.

Mrs. Arnold's daughter, Mildred Arnold, was in the kitchen when she heard her mother scream and saw her enveloped in flame. She grabbed a bed quilt and rushed into the yard where two neighbors were trying to remove the burning garments from her mother.
It was said that Mrs. Arnold must have been blinded by the bright sunshine and did not see her clothing catch fire. Her daughter was severely burned about the hands in attempting to extinguish the flames.
Mrs. Arnold was a native of Bay St. Louis and was the daughter of the late Mr. and Mrs. John Dillman of this city. She was 72 years of age.

Surviving her are four daughters, Mrs. Fred Willard, Mrs. Raymond Carrio, Miss Mildred Arnold, and Mrs. Joseph Lang, of Bay St. Louis; two sons Carl Arnold, Bay St. Louis and James Arnold of New Orleans. She also leaves three sisters, Mrs. Albert Monti, Mrs. Alfred Vassalli of Bay St. Louis; Mrs. Joseph Roth, New Orleans and a brother John Dillman, Tampico, Mexico, and a number of grandchildren.

Funeral services were held Thursday afternoon, from the Fahey Funeral Home at 4 o'clock. Religious services were held there, at Our Lady of the Gulf Catholic Church and at Cedar Rest Cemetery where she was buried. Rev. E. P. Desmond, officiating.

Mrs. Arnold was known for her Christian spirit and will be remembered for her pleasant smile with which she always greeted her friends. The wealth of beautiful floral offerings testified to the esteem in which she was held.

Pallbearers were Jos. Lang, Raymond Carrio, Fred Willard, Israel Arnold, Alfred Vassalli and John Monti.

—Mr. and Mrs. Earl Ramond and Mr. and Mrs. A. H. Gregory attended the General Electric House Party held at the Municipal Auditorium in New Orleans on Wednesday afternoon.

—Miss Florence Dixon has had with her as house guests at her home on Sycamore Street Miss Henrietta C. Keltz of New Orleans; Dr. Mary Sallmann of Newcomb College faculty department of Classical language and her friend Miss Dorothy Henderson of New Orleans.

—Coming from New Orleans to see the May Festival pageant and complimentary to Miss Gex were her relatives Mrs. D. Calhoun, and daughters Dorothy and Joan Calhoun and Miss Gertrude Calhoun of New Orleans who were guests of Mr. and Mrs. Lucien Gex while here.

—Mr. and Mrs. A. J. Glover and little daughter, Janie Lou, of Opelousas, La., spent several days here last week, with Mr. Glover's parents, Mr. and Mrs. H. C. Glover. They were joined here on Sunday by Mr. and Mrs. H. C. Glover, Jr., and David Glover of New Orleans who spent Mother's Day with the family.

—Mr. and Mrs. Jesse Bennett enjoyed having their daughters and their children with them for the past week. They are Mrs. Lawrence Starita, Lawrence, Jr., Dell Marie, Benny and Michael Starita and Mrs. Thomas Sciorlino, Jeanne and Thomas Sciorlino III. Mr. Starita and Mr. Sciorlino joined their families over the week end.

Miss Patricia Gex, daughter of Mr. and Mrs. Lucien M. Gex, reigned as queen of the annual May Festival of St. Josephs Academy on Saturday evening. Her king was Andrew Desormeaux.

The stage setting represented an open garden bright with spring flowers. In the center of the garden was the Royal throne and on either side of this were blooming Azalea bushes. Behind it were trellises where pink roses climbed and twined around it and at the rear of the stage were oak trees from which hung grey moss. At the foot of the stage was a white picket fence behind which were many blooming Azalea bushes. Throughout the garden were garden chairs and a bird bath.

The queen wore a dress of white marquisette made with a long full skirt with broad bands of puffing and finished with deep ruffles. The neck line was finished with narrow bands of puffing and ruffle. With this she wore a mantle made of the same material with long panels of puffing and ending in a semi-circular finish. At the neck was a medallion collar. She wore a crown of sweetheart roses, baby gradinas and stephanotis and carried a spray bouquet of the same flowers. She was escorted to the stage by her uncle W. J. Gex, who presented her to her king.

The maid of honor was Miss Betty Colson who wore a dress of white Celanese Marquisette made with a tight fitted bodice and a four tiered skirt which was trimmed with star designs of Rhinestones. She carried Blue Iris tied with silver ribbon and wore a Rhinestone beret in her hair. The Duke of Honor was Ray Ansardi. The junior maids to the queen and her Maid of Honor were Angela Camarons and Betty Ann Noto. The junior dukes to the King and Duke of Honor were Joe Gex and Jimmy Larroux.

The train bearers were Lynette Kergosien and Judy Heitzmann; the flower girls were Celeste Chevis, Mary Henderson, Marilyn Heitzmann, Gwen Heitzmann, Maxine Jaubert, Peggy Kergosien, Linda Ladner, Jean Larroux, Myrna Nelson, Peggy Nunez, Marie Seghers, Nerle Sones, Maria Elena Vassalli, Kathleen Wegand. Court entertainment by the pupils of the grammar grades.

The maids in the court wore lovely dresses of pastel shades and carried spring flowers. The following maids and dukes with their junior maids and dukes comprised the court.

Louise Piazza and Norton Haas; Sylvia Ladner and Ray Steffel; Marie Shaw and Reuben Mansur; Joanne Bontemps and Charles Poolson; Juanita Aldape and R. R. Forsberg; Jeannette Rodriguez and Clark Meyers; Dorothy Garcia and Jimmy Egan; Nannette Arceneaux and Mickey Dolan; Margalo Damborino and Eddie Landry; Hermeline Finhold and G. J. Pearson; Aline Bermond and J. D. Achee; Mary Jane Green and Marion Wolfe, Jr.; Mary Helen Curran and Walter Turcotte; Jackie Quintini and Justin Green; Ann Noel Poupart and Donald Allen; Joyce Ansardi and Roy Gullotta; Lydia Benigno and Bobby Cagle; Judy Starita and J. V. Morreale; Norma Collier and Stanton Rosenloeh; Francis McAlpin and Lee Wilson; Ernestine Christ and Tommy Boudin; Migdalia Madiedo and J. F. Guerin; Joanne Lang and Scott Assenheimer; Mela Schick and Henry Capdepon; Lorraine Villers and Donald Smith. Junior Maids and Dukes were: Yvonne Artigues and Ronald Artigues; Marion Blaize and Edward Blaize; Geraldine Bertucci and Ames Kergosien; Ranez Karl and Edmond Fahey; Brenda Ladner and Alvin Genin; Barbara Thompson and Everett Kergosien; Cheryl Seuzeneau and Danny Henry; Lynn Berheim and Vic Aime; Barbara Gene Monti and Richard Sterneck; Ann Morreale and Tommy Ward; Sheila Dillman and Leo Bermond; Helen Wolfe and Waldo Otis; Patricia Blanchard and Lavelle Griffin; Judy Quintini and Tommy Quintini; Carol Reed and Richard Reed; Eran Artigues and Jimmy Chiriche; Ida Reed and Denny Benigno Dell Maria Starita and L. A Report Of The Facts Uncolored, From The City Records

SYLVAN J. LADNER, JR.

Did you know that during the last sixteen years the City Tax levy has increased from 23 mills to the present 46 Mills, which levy is one of the highest in the State of Mississippi. It is far higher than any of the levies of our sister cities along the Gulf Coast. With such an enormous Millage we still have an antiquated Fire Department, an inadequate Drainage and Sewerage System, and the present Administration was left with worn out water pumps for our City water supply. Likewise, our streets throughout the City are in bad condition and we are not talking about the Beach Road which condition was caused by the 1947 Hurricane. It has been the usual procedure to patch a few holes and spread a little Asphalt prior to an election, but a majority of the time the streets were practically neglected. At the present time one would not need a compass to direct him to the many dangerous holes in our streets.

We say these things not to be critical of our City, for I was born here and lived here all my life and will probably die here, but we might as well face the facts and try to do something about it. There is no use fooling ourselves in believing that we can sell our Community to others as long as such a condition exists. Yes, we have numerous inquiries from outside sources about our City through the various local Civic Organizations, but when the facts are discovered by the interested parties, we find they choose another locality. Many interested ones have come, but they have left when they found out the tax levy and existing conditions. We want Industries, we want new people, but let's face the FACTS and straighten out our City Government so we will have something to offer them. We will then have a booster rather than a knocker.

During the sixteen years in which I speak of, there have been several Sub-Divisions with many new homes constructed, placing a great deal more of taxable property on the Rolls, and still our Millage has increased.

The above FACTS show that a Detailed Audit of our City's affairs was necessary to fully awaken the people to the true facts, and it shall always be my policy, as long as I am your Commissioner, to give the public the FACTS rather than to cover up for any group or individual. I am proud to be the first City Official in 16 years to bring to light the true condition of our City's affairs.

I assure you that my actions along these lines have been unbiased with malice toward none, and motivated by a desire to give our City an administration whose sole interest is for the benefit of a select few. This is no time for double-talk or subterfuge but is the time for action in order to safeguard the future progress of Bay St. Louis.

Eight From Bay St. Louis Begin Grey Lady Course

A Red Cross Grey Lady Course was started on May 5th at the Gulfport Veterans Administration Hospital. Eight ladies from Bay St. Louis enrolled in the twenty-hour course and on completion, will serve at the hospital.

Those taking the course were: Mesdames Horace Farr, Matilda E. E. Johnson, Wayne Ducomb, Wilson Wittlesberger, Wallace Bontemps, Stevens Register, J. S. Straughan and C. R. Beyer.

Bids For Building New Yacht Club House Received

A meeting of the Bay-Waveland Yacht Club Board of Directors was held on Wednesday night to open bids for the erection of the new club house. Bids received were as follows: Roger Heitzmann, \$29,896; Horace Farr, \$31,300; C. C. McDonald, Jr., \$27,890.

Commodore John Bell stated that they had hoped it could be built for \$20,000 and he did not think the club had funds to let the contract at the low bid. He volunteered to handle the contract soliciting help from various sources for the sum of \$20,000, same plans and specifications. The Board of Directors accepted his offer.

Mrs. C. C. McDonald will leave on Saturday for St. Louis, Mo., to attend the convention of the National Council of Parents and Teachers. She will be one of seventeen women attending. Mississippians are proud of the fact that the Mississippi P. T. A. now has a membership of more than 50,000. A goal they have worked for many years.

Mrs. C. C. McDonald Speaks On Mississippi Hospitality Month At Court House Thursday

Mrs. C. C. McDonald led a discussion on Thursday evening at the Court House which brought out many interesting points Historic and geographic about the state of Mississippi. The meeting was sponsored by the Hancock County Chamber of Commerce in keeping with the statewide Hospitality program now being put on by the state.

With a representative group present, the discussion broadened out and many said as they left that they had learned much about their state which they did not know. The object of the talk was to give out information as to what our state has to offer tourists in order that this information may be passed on to the many coming through this section as well as other sections of the state.

John Bell, commodore of the proposed yacht club for Bay St. Louis said that information could be passed on to tourists concerning the club, harbor and bathing beach which is fast becoming a reality. Mr. Bell said that bids are in the hands of contractors for the club house and work on the harbor is expected to start within a week or ten days and that tourists can be assured that there will be a yacht club.

The meeting was presided over by Mayor W. J. Carver who showed what advantages Mississippi has to show and following the discussion the matter of selecting a "Miss Hospitality" to enter the state-wide contest was gone into and Mayor Carver appointed as chairman of the Hospitality committee Mrs. Ellis Guillory who contacted possible entrants and reported Miss Jane Blair as Bay St. Louis entrant. Assisting Mrs. Guillory on this committee were Mr. and Mrs. T. T. Robin and Mr. Guillory and Mayor Carver.

Miss Blair is a graduate of Saint Josephs Academy and is attending Gulf Park College where she is majoring in Dramatics.
She has taken part in a play and operetta at Gulf Park and will be in the cast of My Sister Eileen to be produced this month by the Bay St. Louis Little Theater. Miss Blair is also talented in writing. She is the daughter of Mr. and Mrs. C. D. Blair of this city.

OUR TOWN

By WARREN J. CARVER

Evidence of the fact that all municipalities in the state—not only ours—are experiencing financial difficulties in rendering adequate service to their citizens are the several steps taken by the State Legislature in an attempt to relieve the burden of excessive taxation by municipal governing bodies. Among the measures referred to is the Highway Planning Committee created by the 1948 Legislative session. One of the purposes of this committee is to make a determination of municipal street requirements of the 266 incorporated municipalities in the State. At the next regular session of the Legislature—or, at a special session if one is called by the governor for that specific purpose—the Highway Planning Committee will present a full, adequate and detailed report on the existing deficiencies in present municipal street maintenance, and a schedule of progressive improvements necessary to meet present and future demands.

Accordingly, on April 21, 1949, a letter was addressed to the mayors of these municipalities asking them to cooperate in supplying essential data to the Planning Committee not later than May 21. Work was begun immediately and on May 2, 1949, this office mailed to the Committee maps and work sheets on deficient streets in the City of Bay St. Louis. According to the State Highway Department Engineer in charge, we were one of the first municipalities to supply the needed information. Just what action will be taken on these projects by the Legislature remains to be seen but, at any rate, the city is now in possession of valuable data pertaining to street requirements. The projects named in the report submitted, the proposed nature of the work contemplated on each is as follows:

1. Railroad Avenue from Washington Street to Waveland corporate limits; reinforced concrete pavement required; 2. DeMoulin Street—resurface with 2 in. asphalt pavement, construct curb and gutter, widen to 32 ft., regrade and drain; 3. Dunbar Avenue—have a 20 ft. surface of a 2-course penetration asphalt, drainage and spot base graveling, no curb and gutter; 4. Citizen Street—resurface, drain, grade and spot gravel for base, street to be widened; 5. Boardman Avenue—base gravel required, 2-course asphalt pavement; 6. St. John Street—part of street to be re-worked and re-surfaced, balance of street will need a base course of gravel, a 2-course asphalt pavement required for total length of street; 7. St. Francis Street—spot gravel for base, 2-course penetration asphalt pavement; 8. Ramoneda St.—to be graveled (base) and 2-course penetration asphalt pavement; 9. Burnett Street—re-shape and 2-course penetration asphalt pavement, base to be widened; 10. Park Avenue (City Hall Street)—to be surfaced with 2-course 2 inch asphalt pavement, base gravel; 11. Ballentine Street—resurface with 2-course asphalt and widened; 12. Paradise Point Drive—curb and gutter, gravel base in place, 2 inch asphalt pavement required; 13. St. Charles Street—curb and gutter from Beach to Railroad Avenue, grade, widen and drain, spot gravel for base; 14. St. Charles Street—from Railroad Avenue to city limits needs fill and gravel base, dustless pavement.

Space does not permit the inclusion of the entire 30 projects submitted and the remaining 16 will be listed in next week's issue of this column.

GARDEN CLUB FLOWER SHOW, MAY 21-22

It is hoped that all Garden Club members and flower growers are centering their attention on the Flower Show to be held on Saturday and Sunday, May 21 and 22 in the Bay High School gymnasium. Mrs. Eugene Mogabagh, Flower Show Chairman says that because of the postponed date of the Flower Show from April to May that many of the flowers listed in the schedule will not be blooming and asks that those entering exhibits may substitute other flowers now in bloom and they will be judged and credit given.
Don't fail to attend the Flower Show and if you are a flower grower enter some of your plants.

Bay High May Festival Tonight

The Bay St. Louis High School will stage its annual May Festival in the gymnasium of the school on Friday, May 13 at 8 p. m.
Yes, this is Friday, May 13, but it will only be unlucky for those who fail to attend the May Festival because it promises to be one of the most beautiful if not the most beautiful yet staged.

Altar Society Meeting May 18th

The regular monthly meeting of Our Lady of the Gulf Altar Society will be held on Wednesday, May 18th, at 3 p. m. at the Lunch Room. All members are requested to attend.

Miss Kenney is a graduate of St. Joseph Academy and of Gulf Park College. She has been receiving much recognition since entering LSU and very recently was elected president of the Junior Class in the College of Music. She is the daughter of Mr. and Mrs. Leo E. Kenney of this city.

ENTERTAINS AT TEA COMPLEMENTARY TO NEW RESIDENTS

Mrs. Sam Whitfield entertained at a tea on Wednesday afternoon complimentary to Mrs. J. B. Snider and Miss Betty Snider of Clarksdale, who with Mr. Snider, are now making Bay St. Louis their home.

Mrs. Whitfield's North Beach home was beautiful with tall baskets with Easter lilies and Queens Lace. On the mantle was a large silver bowl filled with assorted spring flowers. The tea table was covered with a linen cloth ornamented with cut work embroidery and centered with an arrangement of assorted spring flowers from Mrs. Whitfield's garden. Mrs. W. T. Harkey of New Orleans sister of Mrs. Whitfield and Mrs. H. B. Weston poured tea at either end of the table. Serving were Miss Sarah Harkey, Miss Kathleen Renshaw, Mrs. Rene de Montluzin, Jr., Mrs. J. R. Shadoin, Mrs. H. Grady Perkins. Quite a number of ladies called during the hours from 4 to 6 to meet the honorees who are charmed with Bay St. Louis.

American Legion Auxiliary News

The Bay St. Louis American Legion Auxiliary held the May meeting on Monday May 9, at the home of Miss Florence Finhold. Several matters of business came up for discussion and the date for the proposed Cake Walk was set for June 18. Plans were made for the District meeting on Wednesday, May 11.

At the close of the business session Mrs. John Rutherford was surprised with a stork shower. Refreshments were served and a social hour was enjoyed.

On the eleventh the district meeting was held at the K. C. Hall with 42 representatives from the 17th district present.

E. D. Parsons and B. R. Butterfield spoke on their work at the Veterans Administration.

The following officers for the seventeenth district were elected: Mrs. Flora Pittman, Pascagoula, president; Mrs. Laurent Dickson, Bay St. Louis, vice president. Mrs. Pittman succeeds Mrs. A. A. DeDuke.

A luncheon was served to the 42 present by the local auxiliary. As a feature of entertainment Miss Janelle Van Trier sang "Always" and "Because" and Ruth Ward did a few dance and acrobatic numbers. Pascagoula, Biloxi and Gulfport, were the towns represented by delegates.

ARMY RESERVE CORPS NEWS

In the past several weeks, the Army Reserve Corps have been busy organizing here in Bay St. Louis. So far only the Cadre has been organized and there is still a shortage of men for this cadre.

If you are between the ages of 17 and 33 years of age you may join the ORC. Those of you who have had previous Military service and held a rating from Pvt. to 1st Sgt., you may join the ORC with your rank at time of discharge. If no prior service you will enter as a Recruit. There are many openings and good chances for promotion.

The meetings are being held at the ORC Armory, formerly the WOW Hall. Meetings are held each Thursday night at 8 p. m. until fully organized. Three of the four meetings are pay periods, with the pay starting for recruits at \$2.50 per meeting payable quarterly. This is a good chance to earn some extra money and thus bring a payroll, which when the ORC is up to full strength will mean about \$4000 a quarter coming in to Bay St. Louis.

Lt. Col. Gordon Murphy, who was in charge of the last meeting told your correspondent that if the Unit here would not increase its recruitment, that we would lose the Unit and thus deprive the Patriotic men of the Bay of having their own Corps.

If you are an ex-service man and want to sign up for duty, bring your discharge with you. If you have no prior service all you need is proof that you are 17 years of age. Be at the Armory at 7:30 p. m. and talk to 1st Sgt. Nichols or Sgt. W. B. Hawkins. This Thursday would be a good time to come up as there is going to be a grand motion film shown. These drill periods are for two hours each Thursday night.

When the Unit reaches full strength equipment in the form of Amphibious tracks and Carbine rifles and uniforms will be issued.

Don't forget the time, the place and the night.

4-H GIRLS MAKE 20 MILLION MEALS IN FOOD PROGRAM

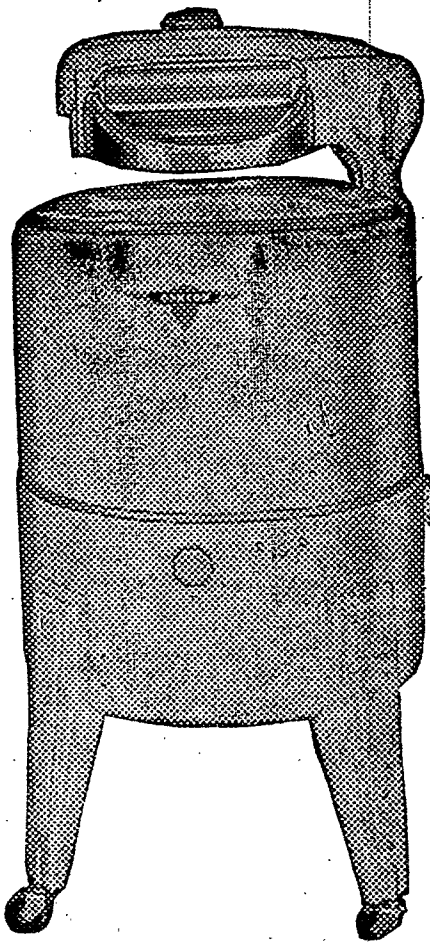

Will 20 million meals placed end-to-end reach around the world? Nobody seems to know. But it is a fact that some 40,000 4-H Club girls last year planned, prepared and served 20 million meals as part of their training in the National 4-H Food Preparation program. In Mississippi, 7,809 were enrolled in the project, according to H. S. Johnson, State Club Leader, and the 1949 program is off to a good start.

Designed to help 4-H'ers understand food values from both health and economy standpoints, the program also develops desirable personal food habits. The youthful cooks range in age from 10 to 21 years, and as in all 4-H Club activities they "learn by doing." Use of home-produced food is stressed.

Merit awards will again be provided by Servel Home Economics department. They are educational trips to the National 4-H Club Congress for state winners, gold-filled medals for county winners, and six \$300 scholarships for members of a special blue award group. The Cooperative Extension Service directs the program.

Nadine Blair, of Hamilton, was one of the 1948 national champions, having first won the state and Monroe county awards. There were 37 additional county medal winners named in Mississippi.

"From where I sit"

...by Joe Marsh

Remember How WE Talked?

It went like this at the Hooper's the other night. Hap's eighteen-year-old daughter is talking about "a real gone guy—solid—out of this world, but def."

"Now what kind of language is that?" Hap barks. "Can't she speak English?"

"I'll translate it for you," Ma Hooper says. "In the language of the twenties, when you were about twenty years old. She simply means this fellow is the 'cat's whiskers.' Remember how we used to talk sometimes?" Hap went back to reading his newspaper.

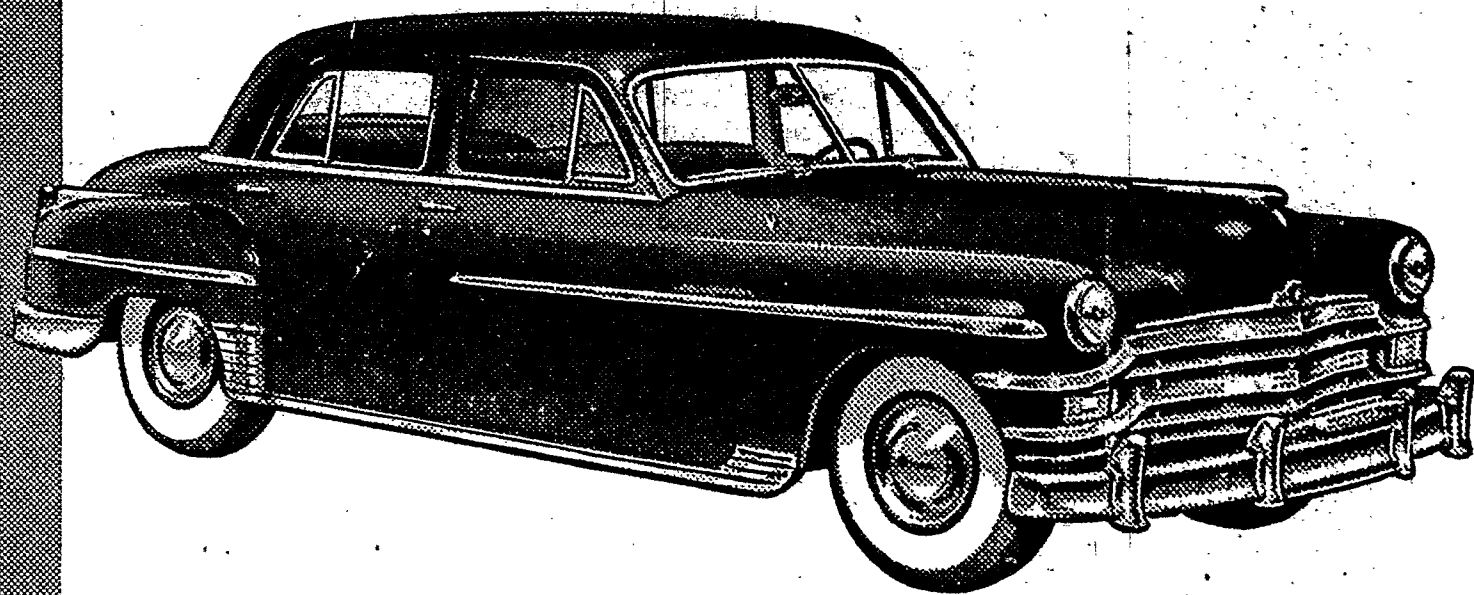

From where I sit, it's easy to criticize the other person when we don't take a good long look at ourselves. Sure, there'll always be some differences. I'm fond of a temperate glass of beer and maybe you would prefer ginger ale—but let's just live and let live. Because when we go out of our way to find things to find fault with in others, chances are they can find a few in us, too.

Natural Pine Stands In North Carolina Yield Good Returns

A recent North Carolina news story tells of 2½ acres which was isolated when a highway was straightened in 1920. It was not cultivated by the owner but seeded in naturally.

In 1937 the tract was thinned, which amounted to \$20.40 worth of pulpwood per acre. In 1944 another thinning brought \$31.50 worth of pulpwood per acre, and in 1947 the owner clean cut the tract amounting to \$109.09 worth of pulpwood and saw timber per acre. In 25 years, the gross return was \$106.99 per acre, or \$6.44 per acre per year.

Uncle Sam Says

Far too many of your dreams have a habit of vanishing into thin air. But that doesn't have to happen to you. You can hold onto your dreams and have them come true at just the right time to enjoy them most. The answer is—invest in U. S. Savings Bonds. They are a sure, safe investment, for your money grows and in ten years you get back \$4 for every \$3 you put down now. There are two automatic ways of getting onto safe financial ground and that is through the Payroll Savings Plan where you work, or if self-employed, the Bond-a-Month Plan where you bank. U. S. Treasury Department

standing and really reeks of professionalism. Sitting on the last row has ceased to become a "neck-ache" and is a real pleasure as the stage can be fully viewed from a comfortable position on any row in the building. Mr. Kelleher, our very able president conferred with members of his board, and accomplished this miracle over the past week end. Another most pleasant surprise awaits an audience in the installation of aisle footlights. This is an asset, to guide the unwary down a darkened aisle. The lights were a donation from the Vice-President, Mr. N. L. Carter. And did we al-

most forget to mention that a loud speaker has been installed. With so many things being accomplished by this enterprising group, who comprise our Board of Directors, it is hard for a mere publicity writer to keep up with their good works.

Tryouts will be held in the Parish House of the Episcopal Church on the corner of the Beach and Carroll Ave., on Monday night, May 16th, by Mrs. A. O. Drescher, who will direct the next play at the Theatre. This production will be that well known and much loved comedy, "You Can't Take It With You," and

has roles for many, so please, all of you who have any liking for the Theatre be on hand and try out for a part. It's so much fun that once you start, you just want to continue on indefinitely.

The current play "My Sister Eileen" will be shown on the nights of May 19, 20, and 21st. This play is being directed by Caroline Kiefer and is boasting an all star cast. It is riotous, rollicking comedy, the kind that makes you forget that the day's grind has been hard, and will keep you in stitches of laughs from the first rise of the curtain until the final fall.

You'll be pleasantly surprised—

AT THE LOW COST OF AN EXTENSION TELEPHONE

Do you know you can have an extension telephone in your home for only a few cents per day?

The cost is mighty small when you consider the many advantages an extension telephone provides for the home and family. It saves time and steps, affords privacy on the telephone,

protection in an emergency. It makes your telephone more valuable by increasing its usefulness.

All you have to do is call the Telephone Business Office and say: "I'd like to have an extension telephone installed." Why not order yours today?

Orders for main telephone service are sometimes delayed because of shortages of central office and other equipment, which are not involved in the installation of extension telephones.

Soil Conservation News

Conservationist
By J. L. Bishop, Soil

Hancock County Soil Conservation District Commissioners and Howard F. Simmons, County Agent, co-sponsored, a pasture tour on Cooperator's farms May 4th. Fifty-two farmers, G. I. Students made the tour. Also there were many members of other Agricultural Agencies represented on the tour. D. C. Morris, District Conservationist, Hattiesburg, and F. P. Amsler, County Agent, Gulfport were guests. On several occasions they added a speech to the program. A. E. Shepherd, Vocational Agriculture teacher and K. A. Neely, G. I. Instructor were greatly instrumental in helping with the program. John S. Flora, P. M. A. Representative made a talk on P. M. A. assistance to the farmers' establishing pastures. The group met at Kiln School, 12:30 P. M. May 4th and departed for Fred C. Taylor's farm to look at an 18-acre plot of Kentucky 31 Fescue, interplanted with white dutch clover. This planting was made last October. An excellent growth of Fescue was noted. The group of farmers were very much interested in Fescue because it is a winter and spring grass which grows 8 months during the year. Seed-bed preparation, kind of fertilizers used, rate of fertilization and seeding were discussed. On this pasture area, Mr. Taylor drilled the fescue in 20-inch rows, planted white dutch clover between the fescue rows. It was also pointed out that fescue grows best in wet, poorly drained soil. Another pasture of white dutch clover planted with dallis grass was inspected, about thirty registered Hereford cows were grazing when the group arrived. They were in fine condition. Proper maintenance of pasture was discussed. It was pointed out that at least three mowings were necessary during summer to get the best grazing results from this pasture. After leaving Mr. Taylor's farm the group visited Mr. J. L. Crump's farm to look at Kentucky 31 Fescue, broadcasted with lido and white dutch clover. Mr. Crump planted his fescue last October. Fescue broadcast, versus fescue drilled were discussed. It was pointed out, that fescue broadcast on wet land could be grazed much earlier than fescue planted in rows. Fescue and clovers on this plot has made an excellent growth. Messrs. Crump and Taylor had not grazed either plot, they intend to produce seed to extend plantings next fall. Pensacola narrow-leaf Bahia grass was visited. Here it was noted common lespedeza was growing well with bahia. Bahia makes an excellent summer and fall pasture. Great interest was generated among the farmers, when they saw that they could plant pastures that could be grazed practically the whole year. The group then visited C. T. Favre's white dutch clover and dallis grass pasture. Here the farmers were amazed at the growth which the white dutch clover and dallis grass had made the first growing season. Mr. Favre discussed how and when he planted, seed bed preparation, kinds of fertilizer used and rate of seeding. There were eighteen fat cows grazing nearby, which the farmers watched with great interest while they were grazing the clovers and grass. Mr. Favre stated, "he had been grazing his cows on the pasture since January. Mr. Favre planted annual lespedeza with Italian rye grass, thinking the 8-acres of clovers would not furnish sufficient grazing, for his cows, now, I realize, I don't have enough cows for any pasture, it looks like I will have to buy more cows." At this time Mr. F. P. Amsler, Harrison County, Agent, pointed out dallis grass which was planted with the white dutch clover. Here the dallis grass had come up to an excellent stand.

Mr. Amsler said, "I believe it is the best stand of dallis grass, for the first year planting, I have ever seen at this time of the year." Mr. John S. Flora, P. M. A. Representative, made a short talk on how the farmers could receive assistance through the local P. M. A. office, to establish pastures. The group departed from Mr. Favre's farm for Mr. Otto Rester's farm, Lettown Community. Here a plot of 11-acres of re-seeding crimson clover was inspected. The farmers were very much interested in this new type of clover. Mr. Rester discussed how he became interested in planting re-seeding clover, where he ordered the seed, seed-bed preparation, how he fertilized it, rate of seeding and date planted. Mr. Rester stated, "I sure did get a lot of good grazing from this pasture. I figure it has been worth \$10.00 per day to me, I grazed my cows here on this pasture for three months, could have grazed it longer but I removed my dairy cows in order to grow and harvest enough seed to plant my whole farm in next fall. I like re-seeding crimson clover better than white dutch clover, it has doubled my milk production, and now I can see where I can make some money out of the dairy business." Mr. Rester pointed out the Kentucky 31 fescue planted on the wet soil in the same field, also he told the farmers about seeding Pensacola narrow-leaf Bahia grass with the re-seeding crimson clover when it was planted in October. "I don't see much of the bahia grass coming up and don't get disgusted with it, for it requires a year or so for a good stand." Several of the farmers were eager to see some of the young bahia grass. Mr. Bishop identified it for them. As the farmers walked across the pasture they noticed an excellent pasture of white dutch clover and dallis grass just across the fence. This 12-acre pas-

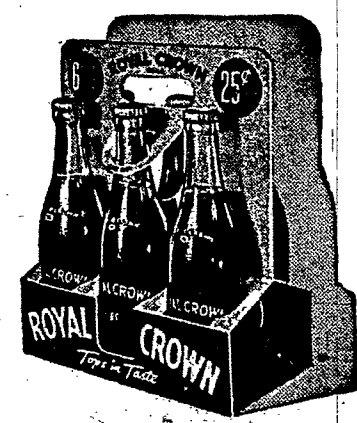

ture belongs to Mr. Fitzhugh Lee. He planted it October 1947. Mr. Lee was plowing a cover crop of crimson clover under when he saw us approaching his pasture. He stopped his tractor and came over to tell his story about his pasture. Mr. Lee has a dairy, sells his raw milk in Pica-yune. His story relates as to how he had started his dairy several years ago, buying feed for his cows, and making no money. Mr. Lee said, "I became interested in pastures and Mr. Bishop told me what to do and I did it, here is my first pasture I planted, I have gotten excellent results from it. I have 50 milk cows and I turned them in this pasture about the middle of December, grazed them about 2 hours every day and turn them into another grass pasture. I have doubled my milk in that length of time and I have kept books on it, it has netted me \$1200 so far." At this point the interest of the farmers grew to such an extent, that various and sundry questions were asked Mr. Lee, how he prepared the land, what fertilizer he used and kind of seed and rate of seeding used. Mr. Lee went on, "let me tell you farmers, make no mistake, you got to use plenty of basic slag and murate of potash if you want to grow pastures. I made a mistake because, I didn't use enough fertilizer the first year, but now, I have learned the hard way. I have learned how to grow better pastures and that is what the other farmers of Hancock County needs, if they expect to make any money out of their dairy cows and beef cattle. I expect to plant more pasture each year until I get my whole farm is pasture." After Mr. Lee's discussion the farmers were well intused over the pastures. The group left Mr. Lee's farm to visit Mr. Karl Goss's farm in the Caesar community. Here Mr. Goss showed the farmers an 18-acre pasture planted in white dutch clover, October 1947. Mr. Goss went on to say, "the first year, I didn't get a good stand of clover and not much grazing either, I didn't know what

GOLD MINE ?

Dreaming of riches in some far away land? Then wake up Mr. Mississippian and look in your own backyard! For here you'll find a vertiable gold mine if you know how to prospect it.

Yes, more than 12 billion dollars is spent annually on travel and recreation in the United States, making this one of America's major industries from a standpoint of expenditures.

And, Mississippi's potential share of this astronomical sum is estimated to amount to

\$200,000,000 -- a gold mine right here at home.

Your state, through the Agricultural and Industrial Board, had been working for a number of years to get Mississippi a larger share of this business, and with ever increasing success.

Now you too can have a part in encouraging tourists to come to Mississippi more often and stay longer. How? By participating in "Hospitality Month" in Mississippi this May, by cooperating with your local Travel Promotion Committee.

CAMPAIGN FOR CANCER CONTROL EXTENDED

The Campaign for funds to control cancer has been extended into the month of May, it was announced by Dr. Felix J. Underwood, State Campaign Chairman of the Mississippi Division, American Cancer Society.
Not all counties have reached their goals, and the need is so great that additional time will be given in order that every county may redouble its efforts to raise its quota, according to the Chairman.
"Mississippi has reached the halfway mark," stated Dr. Underwood, "but we cannot stop now. The goal of \$150,000 is the absolute minimum required if our people are to have adequate treatment for cancer.
Without sufficient funds, many victims of this dread disease must suffer and die. This is a situation we must not allow to develop. It is my sincere hope that each county in the state will reach its quota by May 15."

Mrs. Nellie Tullis Watson Died in New Orleans

Let's All Put Our Shoulder to the wheel

Mississippi can become one of the greatest vacation and recreation states in the South. We have the best highways in the Nation, excellent year-round climate, a beautiful Gulf Coast, historic interest, lovely state parks and scores of attractions which only Dixie can provide.

The big job now is to sell ourselves and others on these numerous advantages.

And that job can be accomplished during "Hospitality Month" in May if we all put our shoulder to the wheel.

Your state is advertising for its share of this 12-billion dollar travel and recreation business; your community has organized a Travel Promotion Committee to help our community get its share.

By supporting and cooperating with this Committee, you can help your town and yourself get a share of Mississippi's potential \$200,000,000 travel business.

Take part in "Hospitality Month"!

WANTED
SOME
Busy People
IN
BAY ST. LOUIS

We all have a big stake this month in carrying out the objectives of our "Hospitality Month" program.

This special month has been set aside by Governor Fielding L. Wright for the purpose of encouraging increased tourist business for Mississippi.

Almost every important town in Mississippi is cooperating in the observance of "Hospitality Month." A Travel Promotion Committee has been organized here and will be calling on citizens of our town to help put this tourist promotion program over.

Enthusiastic, energetic citizens are needed to put this program over.

Tourist business in Mississippi will possibly net us \$200,000,000 this year, provided we make the visitor's trip pleasant and encourage him to stay longer and come back more often.

But the only way we can expect to accomplish this is by learning more about our state's attractions, by exercising our traditional Southern hospitality, and by getting busy and doing something to make our community more attractive to visitors.

Therefore, our Travel Promotion Committee is looking for some busy people who will help this town put over Governor Wright's "Hospitality Month" program.

COUNTY AGENT NOTES

GROWING CHICKS

As chicks grow older, the size of feeders and water fountains should be increased. Also, less temperature is required as chicks grow.

Feeding space should be doubled when the chicks are from three to six weeks of age. Proper size of feeders is especially important.

If feeders are too small, chicks tend to scratch out feed. If feeders are too large, chicks cannot easily reach the feed.

Double the water fountains at the end of the sixth week. Water is essential for proper food digestion, so birds should have a good supply of it. At the sixth week, 10 one-gallon containers or five two-gallon ones will be sufficient for 400 birds.

Temperature should be that which keeps the chicks comfortable, especially at night when they are not exercising.

If the temperature is correct, the chicks will be found at the outer edge of the cover in a complete circle at night. Also, distressed "cheeping" may be because of damp litter, hunger or thirst.

ORCHARD CARE

Additional fertilizer may be needed six to eight weeks after full bloom on peach, plum and apple trees which have set a heavy crop.

Three to five pounds of a complete fertilizer such as 6-8-4 should be applied on most soils to each full grown tree in heavy production. In the Delta or on other soils having adequate phosphorus and potash, apply nitrate of soda at the rate of one to two pounds per tree, or ammonium nitrate at one-half this rate.

Some trees may need more fertilizer than others of the same age.

This can be determined by the color of the leaves, vigor of the tree and amount of fruit set.

Summer pruning or training of young trees allows production of larger, better shape trees in less time than with dormant pruning alone. Unless summer training is practiced the first year, low branches or suckers will often make excessive growth and prevent normal development of the main part of the tree.

To train peach and plum trees to the recommended modified leader system, leave the center leader and select for the frame-work three to five branches spaced six to eight inches apart with the lowest branch

about 18 inches above the ground. After about two weeks it will be necessary to go over the tree again and remove any additional shoots that have developed. When the scaffold limbs are about 20 inches long, the terminal or tip bud should be removed to encourage the formation of secondary branches.

A similar method should be followed with apples during the first growing season, from five to seven branches should be selected, with the lowest branch at least 24 inches above the ground, since apple trees grow larger than peach trees.

Low branches, suckers and any dead or badly damaged branches should be removed whenever seen on

any aged trees. Cultivation and sanitation should be continued until after harvest. Shallow cultivation should be done as often as needed to control grass and weeds.

Sanitation measures such as removing insect damage and disease-infected fruits will help, especially in controlling brown rot on peaches and other diseases during rainy seasons. Repeat spray or dust application if washed off by rain within 48 hours. Continue repeating the last scheduled application, minus arsenate of lead, within four weeks of fruit ripening to keep fruits protected from disease infection.

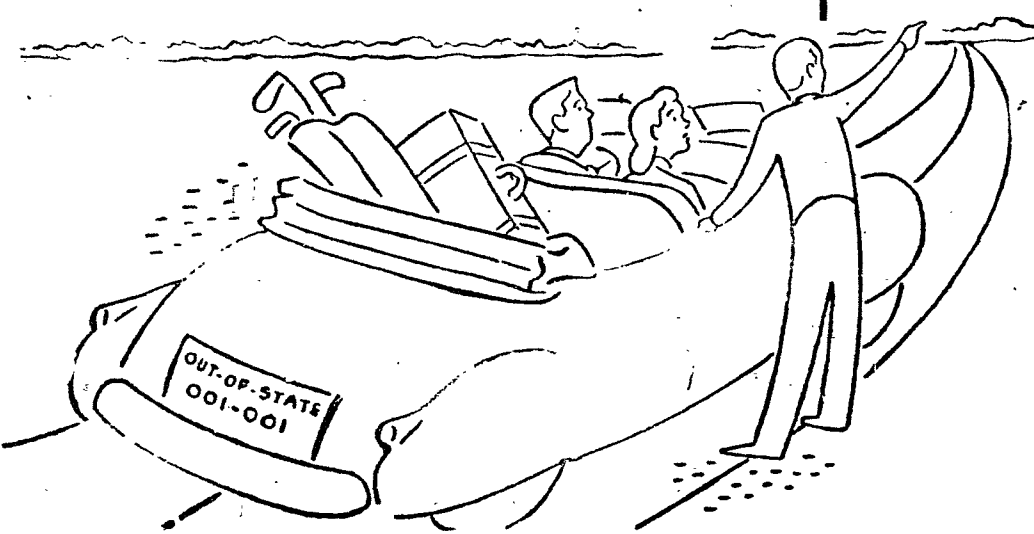

How To Relieve Bronchitis

MUD PACKS for OIL WELLS

Specially prepared mud is an important part of the equipment used by modern oil and gas well drillers. This mud, made of various chemically treated clays, is pumped under high pressure down the drill pipe and is forced out through holes in the drill bit. Acting as a lubricant, it cools the rapidly rotating bit. As the mud works its way back to the top of the well it seals off the various strata and thus serves as a temporary casing. This helps to prevent blow outs, wall caving and the entrance of water into the well.

Sound oil and gas conservation requires the use of modern equipment and scientific production methods. This is recognized in Mississippi's conservation law which calls for the "prevention of waste" in the production of our oil and gas reserves. Assurance is thereby given the people of this state that these resources will be produced with maximum efficiency.

This is a prime objective of this Association because what helps the sound development of our oil and gas resources helps Mississippi and all Mississippians.

DO YOU WANT GOOD, HONEST, CITY GOVERNMENT?

For the past 16 years your city has been in bondage and controlled for the personal gain of a few. During these 16 years the few who have controlled your city and its Administration have become wealthy — You know them! !

But during these years the Tax Levy of your city has increased to the present 46 Mills—the highest rate of any city in the State of Mississippi!

What does our city have to show for such high and unreasonable taxation?

Answer: The wealthy few!

It is this wealthy few who are trying to defeat me in the race for City Commissioner. They are supporting the candidacy of my opponent. They don't want to lose the 'Control.'

If you want Good, Honest, City Government—if you want to prevent the possibility of still higher taxes—and if you want to return the Government to the PEOPLE instead of the FEW, then elect me your City Commissioner on June 4th!

To Give Talk And Demonstration On Landscaping

R. O. Monosmith, Extension Horticulturist, from Mississippi State College, will be in Bay St. Louis on Thursday, May 19, at the home of Mr. and Mrs. Eugene Mogaogab and will give a short talk and demonstration of Landscaping in the Mogaogab yard which they so kindly offered the use of, for this occasion. The public is invited to hear Mr.

Monosmith. It is expected that all members of the Bay-Waveland Garden Club and all interested citizens will be present to take advantage of this and learn more about landscaping. The general public should appreciate having Mr. Monosmith here for this lecture and demonstration.

S. J. A. Students Enjoy Picnics

Tuesday, May 10th was declared picnic day for the students of St. Joseph Academy. This is an annual occasion and all the students and faculty look forward to its happening.

The young ladies of the high school classes motored to Fenton to the well known picnic grounds. This spot is usually the camping site of the local Boy Scout Troops.

Students of the sixth through the eighth grades motored to the spacious Craig place.

And the little folks of the Primer through the fifth had their picnic at Mrs. Louis Schick's place in Waveland.

Although everyone came home with sunburn the day was voted a tremendous success by students and faculty.

CARD OF THANKS

I, and the family take this means of expressing appreciation of the many kindnesses shown us at the time of the funeral of my father, Antoine Soniat, whose body was brought to Waveland for burial. We also want to thank the undertakers, the minister and all others who did so much for us.

P-T. A. HOLDS LAST MEETING OF SCHOOL YEAR

The following officers of the Central School P. T. A. were installed on Tuesday, May 10 at the last meeting of this session held at the school: Mrs. S. J. Mauffray, president; Mrs. Dennie Tonkel, vice president; Mrs. Van Trier, secretary and Mrs. J. R. Shadoin, treasurer.

Mrs. C. C. McDonald was the installing officer.

At the close of the meeting Ellis Guillory, athletic director for the Bay High school boys outlined his summer recreation program.

Mr. Guillory opened by saying that many definitions of recreation are accepted because recreation did not mean the same to all people. What is work for some is recreation for others he said and named fishing as one example of this. To the man who fishes as a means of livelihood, fishing is work; but to many others it is recreation. He also named the different agencies offering recreation such as the Government, YMCA, etc., and named different types of recreation and summed it all up as a means for youth of work off their surplus energy in harmless activities.

Mr. Guillory offers to the boys of Bay St. Louis as well as summer visitors, swimming, soft ball, baseball and hopes to add other activities to these. He announced that he has secured the use of the pool at the Merchant Marine School and this was given him because of the dignified manner in which swimming classes were conducted last summer and that there was no abuse of property, pool or otherwise, which was indeed a

compliment to the boys as well as to Mr. Guillory.

Mrs. J. E. Erwin announced summer classes for teenagers and adults in the Home Making classes and said that she will be available for this work which is offered with no charge. Other than dresses, instruction in

sewing seat covers and like projects are being offered.

At the close of the meeting refreshments were served in the Home making room, where in keeping with Father's Night Mr. Dennie Tonkel dispensed ice cold punch and cakes iced in green.

SENIORS OF ST. JOSEPH ACADEMY ENTERTAINED AT ROUND OF PARTIES

The senior class of S. J. A. was entertained at a wieners roast at Henderson Point beach on Tuesday, May 3rd by Misses Janet Luce, Rita Mae Scafield and Iris Ladner.

Charmas-wrapped in blue and white, the senior colors, were given as favors and an enjoyable time was had by all.

Those attending besides the hostesses were: Mary Lou Scafield, Betty Colson, Pat Gex, Joy Starita, Nannette Arceneaux, Beverly Favre, Joann Martinolich, Susan Smith, Doris Arnold, Dot Garcia, Ann Noel Poupert, Louise Wilson, Charlea Burns, Norma June Noto, Jackie Quintini, Marie Shaw, Margalo Damborino, Mary Frances Scafield, Rosemary Holderith, Mrs. Thomas Luce, Mrs. A. A. Scafield.

1st Person—Knock Knock
2nd Person—Who's there?
1st Person—Watkins
2nd Person—Watkins who?

1st Person—Watkins we do for you?
This was the cry of the waiters at Watkins Broadview on May 5, when the seniors of S. J. A. were entertained by Betty Colson and Mary Lou Scafield at a chicken dinner.

The table which was artistically arranged, was in a T shape with the girls seated on either side and at the head of the table. Silver charms were given as favors.

Those attending were besides the hostesses: Jo Ann Martinolich, Beverly Favre, Iris Ladner, Susan Smith, Margalo Damborino, Louise Wilson, Pat Gex, Dorothy Garcia, Doris Arnold, Ann Noel Poupert, Charlea Burns, Marie Shaw, Janet Luce, Joy Starita, Jackie Quintini, Rita Mae Scafield, Ann Noel Poupert, Norma June Noto, Rosemary Holderith, Joan Conway, Louise Armstrong, Mr. and Mrs. J. C. Scafield, and Mr. and Mrs. Henry Colson.

A comic strip was given Wednesday evening by Misses Joy Starita and Margalo Damborino in honor of the senior class of S. J. A. at Trapani's Restaurant. Fun and laughter reigned as each girl entered dressed as her favorite character from the funnies.

Those attending: Rita Mae Scafield, Norma June Noto, Iris Ladner, Doris Arnold, Ann Noel Poupert, Jackie Quintini, Janet Luce, Louise Wilson, Patsy Gex, Nannette Arceneaux, Margalo Damborino, Susan Smith, Joy Starita, Betty Colson, Beverly Favre, Mary Lou Scafield, Dot Garcia, Jo Ann Martinolich, Marie Shaw, Charlea Burns, Miss Rosemary Holderith, Mrs. John Damborino, Mrs. B. Starita and Honorine Damborino.

Miss Louise Cottrell of New Orleans spent Saturday and Sunday here as the guest of Misses Sallie Pearson and Adele Seyle at their home at 123 Sycamore Street.

Mrs. John J. McDonald and little daughter Ellen, have returned from a visit to Mrs. McDonald's mother, Mrs. Fred Filcher, at Mexico, Missouri.

Mrs. Della Romanoff of Birmingham, Alabama, is visiting her son, G. C. Romanoff and Mrs. Romanoff and Alexis Romanoff at their home on Carroll Avenue.

MISCELLANEOUS SHOWER FOR MISS MARY MAURIGI

Mrs. Russell Elliott and Mrs. Nellius Rhodes entertained at a surprise miscellaneous shower, complimenting Miss Mary Maurigi, a bride elect of this month, at the home of Mrs. Elliott in de Montluzin Street on Thursday, May 5th.

Vases of Easter lilies and ferns were placed throughout the home. The honoree's chair was beside the huge ornamental lily, on a platform of artificial grass. The gifts had been placed within the lily and directly over this hung a dainty blue and white sprinkler.

Miss Maurigi, who was presented a lovely shoulder corsage, wore a pastel blue chambray dress with white accessories.

The dining room table covered with a hand embroidered linen cloth, had as the centerpiece, a three tiered cake, trimmed in blue and white

icing and topped with a tiny doll under a miniature blue and white sprinkler. At each end of the table was a crystal vase with lilies and fern.

Miss Maurigi is the daughter of Mr. Gasper Maurigi, Sr., and the late Mrs. Maurigi. Her marriage to Mr. Anthony C. Osso will be solemnized this Sunday, May 15th, in Our Lady of the Gulf Church. The young couple will make their home in Hamilton, Ohio.

Mr. and Mrs. Edward Higgins and two children Ebbie and Carol of New Orleans spent the past week end here with the former's parents Mr. and Mrs. Frank Higgins.

Mrs. Harold B. Weston and her mother Mrs. M. W. Briggs left Thursday morning for Clarksdale for a week end visit to Mrs. Briggs' sisters.

—M. B. Swazey, General Manager of the Mississippi Economic Council and Ed Gay, Gulfport, a director of the council and one of three members of Workmans Compensation Commission were business visitors to Bay St. Louis on Friday of last week.

Wilmer's Grocery

Recipe of the Week BY MARY LEE TAYLOR

Marble Cake

Broadcast: May 14, 1949

1 1/2 teaspoons melted vegetable shortening
1 1/2 tablespoons cocoa
1 1/2 tablespoons warm water
1 cup plus 2 tablespoons sifted cake flour
1/4 cup sugar

1 1/2 teaspoons baking powder
1/2 teaspoon salt
1/2 cup soft vegetable shortening
1 cup Fat Milk
1/2 cup water
1 teaspoon vanilla
1 unbeaten egg
1/2 teaspoon baking soda

Turn on oven; set at moderately slow (350° F.). Grease a medium loaf pan.

Mix melted shortening, cocoa and warm water. Sift flour into bowl with sugar, baking powder and salt. Add soft shortening and 1/2 of a mixture of milk, water and vanilla. Beat 2 minutes with spoon or electric beater at medium speed. Add remaining 1/2 of milk mixture and egg. Beat 2 minutes longer. Pour about 2/3 of batter into greased pan. Stir soda into cocoa mixture. Beat into remaining 1/3 of batter. Spoon over light batter. Cut through batter in zigzag pattern with knife. Bake 40 minutes, or until cake shrinks from sides of pan. Cool. Spread with chocolate frosting, if desired.
